

St Saviour's Weekly Update

Friday 17th November 2023

Dear St Saviour's Families,

We have had a great Anti-bullying Week! We started the week in style with Odd Socks day, and each class has been focusing on different ways of 'making a noise' and helping to make sure that bullying doesn't happen.

We also had our Remembrance Service on Monday. The poems and songs shared by the children were really moving.

Years 4 and 5 took part in a drama and Art workshop, and Year 6 had a climbing session at Westway Sports Centre.

We've finished the week in a 'spot-acular' way and raised funds for Children in Need. Thank you so much for your support!

We had our first ever football tournament after school today which was really fun and very competitive! Huge congratulations to Tesco United (Karim, Harry, Jaron, Karim's dad and Harry's dad) who won the cup!

Messages from the PTA

Friday 8th December: Groove and Grotto - dancing, Father Christmas and hot dogs - what more can you ask for?!

Tea towels will be on sale from MONDAY - please see attached information sheet.

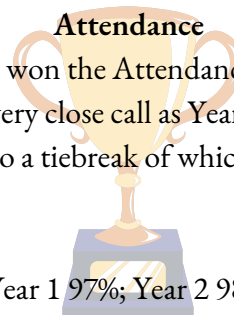

Dates for this term

Dates will also be added to the 'Events' tab in the ParentMail app.

8.12.23 Christmas Jumper Day and Christmas Lunch
20.12.23 2pm Christmas Service at St Saviour's Church
21.12.23 Last day of term - 1:30pm finish

Attendance

This week Year 3 won the Attendance Cup with 98.28%! It was a very close call as Year 4 also had 98.28% so it came down to a tiebreak of which class had the fewest lates!

Reception 94%; Year 1 97%; Year 2 98%; Year 4 98.28%; Year 5 96%; Year 6 95%

If your child is sick, please call the Office on **each day** of their absence. We need as much information as possible about your child's illness - not just 'unwell' - especially as there has been an increase in Strep A and Scarlet Fever. If they have a temperature, vomiting or diarrhoea, please keep them at home.

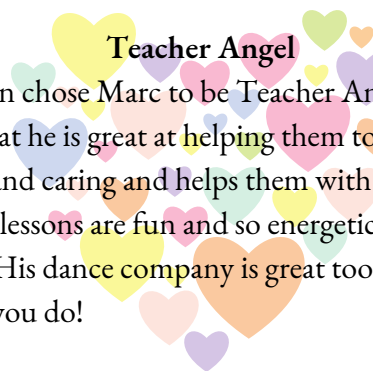

Stars of the Week

Nursery - Lucas; **Reception** - Eliyanah; **Year 1** - Zachary; **Year 2** - Lucas; **Year 3** - Aram; **Year 4** - Hayden; **Year 5** - Isabella; **Year 6** - Bella

You are superstars!

Teacher Angel

The children chose Marc to be Teacher Angel this week. They say that he is great at helping them to get better. He is kind and caring and helps them with their dance moves! His lessons are fun and so energetic and they love them! His dance company is great too. Thank you for all that you do!

Our school website is having another spring clean and the new look should be up and running on Monday. We are also adding a calendar function - more details to follow!

I hope that you have a restful and relaxing weekend

Miss Granite

What Three Questions?

Nursery

Can you make a pattern from objects you have at home?

How is Diwali celebrated?

Can you retell the story 'Room on the Broom'?

Reception

Can you draw a hopscotch grid with chalk and play Tricky Word Hopscotch with the words we have learnt already? (me, she, we, he, into, to, go, and, I, no)

Can you talk to a family member about the different creatures carved into the logs that we learnt about at Forest School and their habitat?

Can you have a go at creating your own Rangoli pattern and talk to a family member about the other traditions we learnt about that take place at a Diwali festival?

Year 1

English: Write a sentence using the conjunction 'and'

Spelling: Change the following words using the prefix -un: kind, happy, tidy, well

Maths: Can you write the number facts for the number 8? (There are 5 different variations)

Year 2

Mathematics: Can you estimate the length of household objects (spoon, book, toy car, coin) in centimeters - cm?

Literacy: Can you come up with an alliteration for the names of each person in your family? (For example: Marvellous Mum)

Science: What do humans **need** for survival?

Year 3

Geography: What are the differences between a temperate and a tropical climate zone?

Maths: Make £2.30 with only 4 coins

Spanish: What fruit is un platano? Is it masculine or feminine?

Year 4

PSHE: What does the term 'Pharming' mean when discussing online safety?

English: What key features do we need to include when evaluating a piece of text?

Science: Can you remember three important reasons from our trip this week as to why we need to protect our environment?

Year 5

Maths: can you estimate what 3578×4 would be? Do you think it would be higher or lower than the actual answer and why? Work out the actual answer to check.

English: What is a relative clause? Can you use a relative clause in a sentence to compare two characters from *The Tempest*?

Science: Can you explain what a 'good heat conductor' means?

Year 6

English: What literary devices would you use when giving someone advice?

Geography: What are the regions of the U.K?

Science: What is the fossilisation process?
