

St Saviour's Weekly Update

Friday 29th September 2023

Dear St Saviour's Families,

This week we have been thinking about how we can be welcoming to our friends: what the characteristics of a good friend are, and how we can help each other.

We have lots of sources of support in school for both children and adults. The School Nurse is going to be running some workshops for parents, and I met with our Early Help Family Practitioner this week to find out what parenting support is available. I will be sending more information in the coming weeks. We are also still working with MIND - they will be working with the children and staff in school, but you can also make a self-referral. Please let me know if you would like further information.

Teacher Angel

Miss Weekes is this week's Teacher Angel! Today has been her last day before she starts her maternity leave and the children are really excited that after seeing her last class leave to go to secondary school, she is now going to get to see her own child grow up! We are all going to miss her but can't wait to meet the baby!

Harvest Giving

We are once again supporting The Passage, a charity which supports people experiencing homelessness or who are at risk of becoming homeless. We will have a 'Donation Station' in the hall for children to donate any 'spare' change to - please do support it if you feel you are able to. We will be having a Harvest Mass on Thursday 12th October, where Fr Andrew will bless our offering.

The Passage 
Everyone deserves a place to call home

I hope that you all have a restful and fun weekend!
