

St Saviour's Weekly Update

Friday 20th June 2025

Dear St Saviour's Families,

Thank you so much to everyone who braved the heat yesterday to come and support the children at Sports Day - we all had a great day! We are adding up the scores and will announce the winners on Monday...

As the weather gets warmer, please make sure that your child has a water bottle in school. These **MUST NOT** be glass for safety reasons. Any glass bottles will be taken by staff and returned to you.

Buster

Paul is taking Buster home this week. He is exceptionally kind and consistently looks out for others around the school. He is always willing to help his classmates during lessons and regularly supports his teacher with various tasks, showing great maturity and responsibility. He puts effort into every subject, and as a result, has produced some truly impressive work. With a brilliant sense of humour, he often brings laughter to the classroom and brightens our days with his creative props and inventions - always thoughtfully making extra ones for his classmates.

Teacher Angel

Miss Granite is this week's Teacher Angel. She is kind, caring and complimentary of others. She is a fantastic role model to everyone and she is very helpful in school. She has a brilliant positive energy and puts a smile on other people's faces. She does some interesting assemblies and we love her leading our school.

Some of the children in Year 3 are making their first Holy Communion on Sunday- we will be praying for you all as you take this next step on your faith journey.

Have a great weekend in the sun!

Miss Granite
