

St Saviour's Weekly Update

Friday 10th January 2025

Dear St Saviour's Families,

Welcome back and Happy New Year! It has been lovely to see everyone this week, and it was especially great to see so many people at the Living Gallery this morning.

Congratulations!

... to **Mrs Fleck**, who got married over the Christmas holidays! She is going to keep Fleck as her surname at school, so we just need to remember to call her 'Mrs' instead of 'Miss'!

Buster

Aimar is taking Buster home this week because he stands out for his dedication and hard work in every lesson. He is always respectful and follows the rules and values of our school. He always gives his best effort to every task and takes pride in his work, as well as making well thought-out and insightful contributions to class discussions. He is always willing to help his classmates when they need it, offering support without hesitation. Whether it's assisting with a tricky problem or helping his teacher, he approaches everything with a positive attitude and a strong sense of responsibility. His commitment and willingness to support others make him a real asset to the class. Thank you Aimar!
