

St Saviour's Weekly Update

Friday 19th September 2025

Dear St Saviour's Families,

We've had a great week in school this week, and especially enjoyed the sunshine today!

Our Musician of the Month is Abba and we have loved singing along to Mamma Mia on the way into assemblies this week. I've attached the Home Information sheet so you can enjoy them at home too.

If you want to find out more about what your child is learning in school, please do look at the school website which has a page for each curriculum area and each class. There is also a calendar with all the events that are happening in school.

Buster

Buster is going home with Eve because she always follows the school rules and expectations, setting a wonderful example for others in the school. She is a true role model. She is incredibly helpful to the adults in school and always completes tasks promptly and thoroughly. Kind and caring, she looks out for everyone. She has been trying her hardest in all subjects, and it shows! She pushes herself out of her comfort zone and is willing to take risks, which is so impressive!

Teacher Angel

Miss Eastman is Teacher Angel this week. She is always caring, kind and polite. She's great at helping the children into school if they feel upset, and also great at helping them with their work when they find it a bit difficult. To top it off, she's always happy and has a great sense of humour!

This guidance from the NHS has more information about when children need to be kept home from school:

Online Safety

Each week, I will send home a guide about an aspect of online safety. This week's guide is about Snapchat.

Please make sure that your child's medical/dietary information is up to date in Arbor, and that you have given consent (or not) for us to use their photos on Instagram etc.

Our open mornings and afternoons for prospective Nursery and Reception places start next week so please tell anyone you know who might be interested! They can sign up via the website.

Have a wonderful weekend!
